Preamble: Environment Day was celebrated with the plantation drive programme at Jengraimukh College campus, Majuli on 5th June 2022 from 9.00 am to 2 pm. Environment Day was celebrated with the theme **Only One Earth** followed by an awareness programme conducted at Rengmai ME School, Borpomua, Majuli. Further, a collaboration with the Rigboo club was held.

Participants profile:

Around 60 students and 10 teachers participated in the environment day programme and awareness camp.

Description of the Programme

Department of Botany with NSS cell in collaboration with IQAC Jengraimukh College, Majuli celebrated World Environment Day on 5th June 2022 with the theme **only one earth** with great zeal and fervour. The day was celebrated with a massive plantation drive by teachers and students. Plantation of saplings was done by administrative coordinator Prafulla Nath sir followed by Departmental head Borsha Tamuly, Porismita Borah, NSS coordinator Binod Das,

Dr. Rumajyoti Hazarika, Dr. Manas Jyoti Borah, Dr. Khirod Borua and other teachers. All non-teaching staff, NCC Cadets, NSS students, Students of the Botany and Zoology department and other students of Jengraimukh college participated in the massive plantation drive. On that day NSS cadets of the college carried out a cleanliness drive on the college campus and nearby areas of the college. The plantation of saplings was done in the botanical garden and other areas of the college campus. A rally was taken from Jengraimukh College to Rangam M.E. School, Borpomua, Jengraimukh, Majuli holding play cards with different environmental slogans with the guidance of NSS coordinator Binod Das and other teachers. The awareness programme at Rangam M.E School, Borpomua was initiated by NSS coordinator Binod Das and the administrative coordinator of Jengraimukh College, Prafulla Nath gave a speech on the significance of the day. He took turns to encourage participants to be environmentally friendly, giving highlights on the importance of the world environment day celebration and the need for holistic thinking while relating to the environment. He also emphasized the 3Rs which he called Reduce, Re-use, and Recycle and also added the fourth R which he called Rethink and urged participants to always use the “R” as their watchword while dealing with the environment. After the awareness talk plantation of saplings done by all teachers and students. On returning to the Jengraimukh College campus, an interactive session was held with the Rigboo club where administrative coordinator Prafulla Nath gave a speech on the importance of the day. We got huge support from all members of Jengraimukh College and in this way, we concluded the programme.
