Principal, Dr. Nabo Kumar Pegu explained the criteria under which the college acquired a grade of accreditation. He spoke of the issues we needed to address now for a better grade and asked the reason for not submitting the AQAR of previous year.

At the beginning of the meeting, Mr. Changsan stated that a teacher's promotion is a vital event in career advancement and financial benefit of teachers. To provide their timely promotion, the college authority and IQAC should discuss the rules and procedures of promotion with the teachers so that they are timely benefitted. He also stated that the IQAC should organize a meeting among the teachers related to this matter. IQAC Coordinator Mr. Lienkhomang Changsan agreed and has to submit the AQAR of 2016-17 as soon as possible.

In the meeting it was resolved that:

1. The chairperson cum principal of our college assures to extend full financial support in improving the general infrastructure, research, as well as library infrastructure in the coming days.
2. The meeting resolves to suggest the authority to provide financial assistance to the faculty members who participate in national/international seminars/workshop through the research council.
3. IQAC together with the authority will encourage collaboration with academic and research institutes in extension and outreach activities.
4. The meeting resolves to gear up the process of AQAR preparation of 2016-2017 sessions through the IQAC.

The meeting ends with a vote of thanks to and from the chair.
